Pordes Residential Sales & Marketing is proud to honor Darwin Dizon and L. Ben Packer as the top on-site sales executives for 2013. Together, Dizon and Packer produced more than half of all sales at Veer Towers in 2013.

“We want to thank our amazing clients for making 2013 such a great success,” said Darwin Dizon, sales executive at Veer Towers for Pordes Residential. “We are looking forward to working with new buyers and continuing this success in 2014.”

Sales at Veer Towers have been ahead of projections since Pordes Residential took over selling the units in early 2013. The sales team made over 120 sales in 10 months. Dizon and Packer both made great contributions with more than 30 sales each for over \$28 million in total purchase price.

“Veer Towers is the only all-residential offering on the Las Vegas Strip and it has become one of the most desirable addresses in the city,” said L. Ben Packer, sales executive at Veer Towers for Pordes Residential Sales and Marketing. “We always knew that buyers would be attracted to this incredible property and we look forward to introducing even more people to it in the next year.”

Jim Navarro, Vice President of Sales for Pordes Residential at Veer Towers added, “Darwin and Ben’s hard work and dedication helped propel them to the top. With the improving Las Vegas real estate market, I expect them to have an even better 2014.”

Dizon, Packer and the rest of sales team are selling studio, one-, two- and three-bedroom condominiums at prices of \$275,000 to more than \$1.8 million.
